What is the Hobey Baker award?

The Hobey Baker Award is the annual award given to the best men's college ice hockey player in the United States. This award is presented each year to the top player competing in the NCAA.

This award is named after Hobey Baker, a legendary early American hockey player who starred at Princeton University in the early 1900's.

Macklin won this award in 2024 while playing for the Boston University team. This award that was given to Macklin made him the youngest ever to win the Hobey Baker award.
