

Research Worksheet

It's time to learn how to do research. Fill out the following questions with information about each of the sources you find.

I want to learn about _____

What is the title of the source? _____

Who is the author? _____

What year was the source published? _____

Where did you find the source (website URL) or who published the source?

If the source is a website, what date did you access it?

In your own words, what did you learn from the source?

What is the title of the source? _____

Who is the author? _____

What year was the source published? _____

Where did you find the source (website URL) or who published the source?

If the source is a website, what date did you access it?

In your own words, what did you learn from the source?

What is the title of the source? _____

What year was the source published? _____

Where did you find the source (website URL) or who published the source?

If the source is a website, what date did you access it?

In your own words, what did you learn from the source?

Reference List Worksheet

Now that we have the information for each source and research notes for our project, we need to make a list of where we got our information from. Different types of sources are presented differently in the reference list. 1 and 2 are for books, and 3 and 4 are for online sources. Use this sheet to practice.

1

_____	_____	_____
Author Name or Names	Publication Year	Source Title

_____	_____	_____
Publisher Name	Publisher Location	

2

_____	_____	_____
Author Name or Names	Publication Year	Source Title

_____	_____	_____
Publisher Name	Publisher Location	

3

_____	_____	_____
Author Name or Names	Publication Year	Source Title

_____	_____	
Publisher Name	Source Location (URL)	

_____	_____	
Access Date		

4

_____	_____	_____
Author Name or Names	Publication Year	Source Title

_____	_____	
Publisher Name	Source Location (URL)	

_____	_____	
Access Date
