

Step 2 - Getting Ready to Research

Creating Research Questions

Use the "What I Want to Learn" section from your "What I Already Know and What I Want to Learn" chart to help you come up some questions to help you research.

My topic is: _____

The example questions are based on the specific topic: How did Terry Fox change cancer research?

Who	Example: Who inspired Terry Fox to run across Canada?
What	Example: What did he want to accomplish by running across Canada?
Where	Example: Where did he start his run?
When	Example: When did he start his run?
Why	Example: Why did he want to run across Canada?
How	Example: How did Terry Fox change cancer research?
