

Canada Ice Hockey

By: Titan Magnus

This invention changed Canada forever. I will tell you all you need to know about Team Canada ice hockey olympics. Canada only won 14 gold medals !!! Oh yeah , medals !!! This is important because it's Canada's sport. I will be telling you about the medals of Saskatchewan team Canada and history.

This paragraph will be about team Canada. Canada's sport is hockey. Every four years the winter olympics is hosted . Team Canada is known for hockey in olympics it's called ice hockey. It all started in 1920 when Canada went to the winter olympics for men's ice hockey 1998 is when the women started . Did you know that the girls for team Canada have always won a medal, never lost and never won bronze. Team Canada lost their first gold in 1936. 1956 Canada won their first bronze; the women won 5 gold and 3 silver. Mens won 9 gold 5 silver 3 bronze. Canada has been to the Olympics 25 times to ice hockey. I wrote this subtopic to tell you about team canada ice hockey.

This sub topic will be about the players from Saskatchewan. There are six players from Saskatchewan. 1st Darcy Kuemper, two time medalists. born in Saskatoon. Hailey Wickenhizer 7 world champions gold 3 silver. In the hall of fame. Born in shanavon 1 of the most decorated players ever womens. Colleen Sostor 3 time gold meadelest 3 time silver meadelest. Born in Regina, Saskatchewan. Gina Kingsbury 2 olympic gold medals born in uranium city. Chris Kunitz won gold. Born in Regina, Saskatchewan. Emily Clark played in the 2026 Olympics. This sub topic because I want you to know who comes from our province.

This sub topic will be about the medals that team canada won in the olympics. The women won their first gold medal in 2002 in Salt Lake city they won their second gold in 2006 in torino then fourth gold in 2010 in Vancouver, then fourth in 2014 in Sochi and fifth in 2022 in Beijing. They won their first

silver in 1998 in Nagano. Second in 2018 in pyeongchang. Last in milano cortina 2026. And the women have always been on the podium and never won a bronze medal before. The men didn't win any medals 8 times before. These are the years that they didn't win any medals in 1972, 1976, 1980, 1984, 1988, 1996, 2006, and 2008. The men won their gold medals in 1920, 1924, 1928, 1932,1948, 1952, 2002, 2010,2014. The men won silver in 1936, 1960, 1992, 1994 2026. Mens won bronze in 1956, 1968, 2018, and that's it. I told you about this sub topic because I want to tell you more about the medals that they won.

This sub topic will be about history that was made. In 2010 Vancouver the most famous olympics for Canada ice hockey was then. It all started in the first period Canada's.It all started in the first period. Canada's goals were scored by Jonathan T0wes, Corey Perry and Sidney Crosby. Then the third period buzzer went 2-2. It was going to go to overtime then it started 4 on 4. but first they won 8-0 nothing against Norway with Sidney Crosby winning 3-2 then USA round robin game USA scored within 41 seconds then Jonathan Taves tied it up 10:07 minutes left. then USA scored with 10:47 left in the first period. Then they scored two and an empty net goal to win 5-3 then Canada won in the quarterfinal winning eight two against Germany then Canada played Slovakia and one and played USA in the final then Jonathan tape scored to take the early lead one nothing Canada then Corey Perry score to make it two nothing Canada. Minutes after the goal USA scored then it was 2-1 Canada then USA pulled their goalie and called a timeout then USA tied it up at 2-2 with 24.4 seconds left. Then it went to four on four overtime then and there 1 pass over to Crosby. Crosby shot five hole. They won it in overtime with a golden goal. I told you about this so you could know how they Wonder 14th gold medal

My topic was about team Canada ice hockey. It matters because it is about Canada's sport and history and the sport that we are best at. All of my topics were about medals, Saskatchewan players, team Canada, and history. This teaches you about ice hockey in the Olympics. Fun fact: Canada has the most medals in ice hockey olympics.
